SCSEP GPMS

Release Notes – Hotfix 2.0.1

Release Date: September 11, 2023

These release notes provide information regarding the new features and fixes for issues that have been addressed in Hotfix 2.0.1

New Features:

- Users can now delete an Approved Break without contacting the SCSEP Help desk.
- An organization's Survey Contact is now available to users after being added to the Manage Organizations and Contacts function.
- The Follow up Report now populates N/A for Pending, Overdue, and Expired follow-ups.

Fixes:

- The Current/Exited Report now generates consistently for users.
- Modified Positions are now available on the Equitable Distribution Report for PY22 Q1.
- The total count is now displaying correctly in the Summary of Grantee Counties within the Equitable Distribution Report.
- Authorized and Modified Positions in GPMS are now reflected in the ED Report user interface.
- Authorized Positions in the Detail section of the ED Report now match the Authorized Positions listed in the Summary Section.
