## Release Notes – Hotfix 1.6.1

---

**Release Date: March 31, 2023**

The GPMS Hotfix Release 1.6.1 will address Production fixes.

### Fixes

- Existing Tasks requesting users to end Approved Breaks for Participants in Exited status have been cleared
- Addresses the UI Error users receive when running the Participant Actions Report and selecting all Sub-Grantees
- Addresses the multiple listing for the same grantee in the grantee lists for the Extracts
- Addresses the issue where multiple rows are being displayed for a participant in the exported detail for the Participant Current/Exited report
- Production Data corrections for specific grantees and cases. BCT will reach out to the specific grantee for validation of these changes in Production.
