Release Notes – Hotfix 1.8.2

Release Date: June 29, 2023

These release notes provide information regarding the fixes for issues that have been addressed in Hotfix 1.8.2.

Fixes

- Users will **no longer receive a UI error** when selecting counties on the **Authorized Positions Summary** page.
- Users with the role “**PA Read Only**” will now be able to **Generate Internal QPRs**.
- Users with the “**PA Read Only**” role will have **all the functions to which they can access** displayed on the Admin Console.

Known Issues

- **Durational Limit Dates** are still displaying incorrectly for Exited participants.
- Grantees who **do not offer extensions** are still receiving a task to complete their extensions.
