## Release Notes – Version 3.3.1

---

**Release Date: March 26, 2025**

With this release, the discrepancies in the QPR measure have been resolved, and the **Help Request Module** (HRM) is available to all users but should not be used until notified to do so.

### Enhancements

- Discrepancies in the measure **D.2d. Percentage of Placements in the 2nd and 4th Quarters with the Same Employer** on the QPRs for Q2 PY24 have been resolved.
- The **Help Request Module** (HRM) is available to all users. **Note:** The HRM should only be used by those grantees who have been identified as part of the pilot group. All other users must continue to use Zendesk when submitting a help request.
- The topics in the HRM reflect those that are currently in Zendesk.

### Known Issues

- None.
